Highway Superintendent, Dan Miglianti, gave an update on the crew, and no issues to report. They have been ditching, doing shoulder work, etc. Scott will be the new deputy to Dan. Eric did a good job on the grater. County will pay but they haven't passed the budget yet. State budget has not been passed yet — who knows how long it will take- soon enough they will need graded pass, soil & water, culverts. May qualify for some grants. They can make roads passable. Kevin: He is staying out for a little while longer. Family Medical Leave is not part of their plan through the Union so it is up to Kevin to stay out without pay — we

could make a decision to help him with that? Lastly, the Village of Stamford wanted to leave some salt in our garage, so that is what they are doing, and we will not use it.

People: Please get on the agenda ahead of time so we can make time and a plan for you.

It was asked why we were not on the list of people who helped at Mt. Utsayantha. According to a recent meeting, we said that we were holding off on any help to them until we figured this out. Dan did not seem to know about working there and we told him that it was on hold until we see what is WE, the undersigned members of the Town Board of the Town of Stamford, Delaware County, New York, do hereby certify that we have examined the minutes of the previous meeting and found them to be correct and accurate as recorded.
